#### To the Holders of 4 Bonds of the First Liberty Loan Converted, and 4 Bonds of the Second Liberty Loan.

"The privilege of conversion which arose in consequence of the issue of 4 bonds of the Third Liberty Loan will expire on November 9th, and under existing law can not be extended or renewed, Holders of these 4 bonds lose nothing by exercising the privilege of conversion and gain interest per annum. Holders of 4 bonds should not wait until the last moment to exercise the privilege of conversion, but should do so promptly. Delay will result in overburdening the banking institutions of the country and the Treasury Department by making it necessary to handle all conversions at the last moment, and may result in the loss of the privilege of conversion al-W.
